a great excuse for people to do some good deeds — but even if you don't live in the
city on Jan. 20, you can still get involved. Several sanitation workers and community
organizations, including the MTA, are hosting a Martin Luther King Jr. Day of Service
on Jan. 18 and 19. The MTA will honor members of its sanitation workforce who
have passed away with a moment of silence at 2:47 p.m. on Saturday. Other
projects will include participating in the National Night Out at the Brookville Ridge
Library, then helping rebuild area homes, roads and schools with the Citi Habitat for
Humanity, Sysco Mobile Meals, New York United, Long Island Construction Battalion
and other groups. "This holiday encourages us to honor the good deeds and the
important work of our community heroes like Martin Luther King Jr. who devoted his
life to justice and equality for all," said MTA Chairman Joe Lhota. Additional MTA
tasks include painting and cleaning of statuary at a dozen stations and bus garages.
