It stars Vinay Pathak, Rashmika Mandanna, Anupam Kher, Aashish Chaudhary and Rohit Bhatia. The film is scheduled to be released on 5 February 2019. The film is a sequel to Anupam Kher's 2016 film Bheem. It is the story of a middle-class family, which lives in an ashram near the Waghodia river, where the members are ashrams and where one of them is very strict and doesn't take people too kindly. One day, the family members get summoned to the meeting and the trip is cancelled. The wife of a person named Kishor Pratap Singh, a retired officer who is a widower and lives in a nearby village, tells the story to the villagers and all of them turn up there. He tells them how he got lost in the Bheem forest and how he finds himself in the ashram and is assigned the job of picking up and delivering letters, which he refuses to do, as he had lost his memory and his wife. Then he falls in love with one of the female villagers, Vidya, because she resembles his wife. Though the villagers and the ashram head deny the fact of this resemblance, it is later seen that the woman can remember him and his wife very well. However, some villagers still are not convinced that he can still remember his wife. Bheeshma Full Movie In Hindi 720
